To ensure a productive and safe learning environment for young students at Malta University Language School, this document must be understood and signed by both the parent/s/guardian and the student before arrival in Malta.

1. Parent/s/guardians should cooperate fully with the Director, Assistant Director and administration staff to address any concerns regarding their child's behaviour.
2. Neither the school, agent nor operator will be held responsible in any way for illness, accident, loss of personal effects or damage caused by the student at any time prior to or during the course at Malta University Language School.
3. Malta University Language School shall not be liable for damage or problems caused either intentionally or negligently by the student while participating in trips or leisure activities.
4. Parent/s/guardians and students recognise and accept the laws of Malta and the normal code of conduct of the School.

In the event of such a situation or of breaking the school rules or laws of Malta, the parent/guardian shall be informed immediately and, if necessary, the parent/s/ guardian will be obliged to arrange for alternative flights for the early departure of the student. Should the student be asked to leave due to the above, they will not be entitled to compensation of any sort (whether in cash, credit, or otherwise).
6. Students recognise and are appreciative that the course caters for students of varied nationalities and are, therefore, sympathetic to other cultures and nationalities.
7. Each student and the latter's parent/s/guardian declares that the student is in good physical and mental health and is able to cope both mentally and physically with the demands of the language course, leisure activities and absence from their family for the duration of their stay.
8. All students are to have a valid Health & Travel insurance policy for the duration of their stay.
9. Each student is to be provided with sufficient funds for their stay. The recommended minimum amount per week is €200.
